

Your Match: SA2020

Organization Name: SA2020

Mission: SA2020 drives progress toward a shared Community Vision for San Antonio through research, storytelling, and practice.

Impact Narrative: SA2020 believes that everyone is capable of affecting change. And because SA2020 transparently reports on San Antonio's progress towards our shared goals, the entire community is able to see where we are making strides and where we are falling short, ultimately always able to advocate for and lead change. With more than 130 nonprofit, foundation, public, and corporate partners, SA2020 also leads a growing coalition of institutions committed to organizational change. By coordinating the work of our Partners and tracking progress towards shared goals, SA2020 is uniquely positioned to see the current landscape of work, identify what interrelated actions sustained over time could produce whole systems-change, and activate the community in affecting change.
